

## Stage Box 2<sup>nd</sup> Generation Deluxe Stage Box

- Using Aluminum material as a main body, with laser to engrave channel names. Will make the problem of old iron box being dropped on paint, oxidation rust, blurred printing no longer exist.
- Using high-quality XLR plastic female socket, with perfect contact on pulling and inserting.
- Making it lightweight.

Nylon Plastic Cable Gland

### Self-assembled Fixed Installation

#### S2GB-2TH-12

12CH, Top Pannel Female XLR

Currently available for below sets:

- Self-assembled Mobile Performance Type (Flat Side Panel)
- Self-assembled Fixed Installation Type (L Type Handle)
